**SPECIFICATION CHANGES:**

None

**QUESTIONS AND ANSWERS:**

Question 1 – Request official clarification on the winning bidder’s ability to implement systems or perform work that are a result of the studies associated with the RFP.

Answer – The winning bidder has to be able to provide the deliverables for each objective in the form of a study, or training session specific to each objective. There will not be an implementation step beyond the study or plan, except for the COOP Training session which will require an implementation step of conducting the training to achieve its objective.

Question 2 – Are there any current amendments to this RFP?

Answer – Only this one so far.

Question 3 – When was the original RFP published?

Answer - The RFP document was released on 8/26/11.

Question 4 – Given the detail of information required, and the requirement to submit a separate response for each of the 8 deliverables, will the Port consider extending the proposal due date beyond September 7?

Answer – There is no plan to extend the proposal due date at this time.
