The Brevard County Sheriff's Office, City of Cape Canaveral, City of Cocoa Beach, and City of Cocoa in coordination through the State of Florida has arranged for the Florida Army National Guard to provide four (4) bottled water distribution points for those customers affected by the loss of water pressure from Hurricane Irma.

The following sites will be providing bottled water (1 case per vehicle) beginning today immediately through 7:00 p.m. and continuing through the next two days from 7:00 a.m.-7:00 p.m. until the supplies are depleted.

- City of Cape Canaveral, 8550 Astronaut Blvd., Cape Canaveral, FL 32920 (Northbound lane of Astronaut Blvd.)
- City of Cocoa, 801 Dixon Blvd., Cocoa, FL 32922 (Entrance South bound lane of US1)
- Cocoa Beach, 1500 Minuteman Blvd., Cocoa Beach, FL 32932 (Minuteman Causeway at A1A)
- Merritt Square Mall, 777 East Merritt Island Causeway, Merritt Island, FL 32952 (Please use the South entrance off of Fortenberry Road)

This is an effort to help provide bottled drinking water to customers of the City of Cocoa Water Utilities with no water service caused by Hurricane Irma. Cocoa Utility Crews are continuing to work throughout the system to make sure each customer is receiving safe and quality water as quickly as possible. However, even if there is pressure at your home, please remember there is an active precautionary boil water alert for the entire water system.
