

EXPLANATION OF CONSENT AGENDA ITEM E.2.c.(4) – June 22, 2016

ITEM:

Consideration of cancelling the Reimbursable Space Act Agreement between NASA John F. Kennedy Space Center and the CPA due to suspension of the rail barge terminal project.

EXPLANATION:

CPA has determined that cargo volumes do not justify the necessity for a Barge Rail service at this time. Once Cargo volumes increase and landside development opportunities restrict the movement of cargo, a barge rail service may be further researched and possibly planned for the future.
