Good afternoon,

Hope you are having a great Friday. You are receiving this email because you are part of the Special Events Committee and I have Salt Water Classic that was already approved with this committee for May 5th and 6th, also approved by the commission as it is a multi day event. Salt Water Classic would like to push their event back one month to June 9th and 10th. Can you all please double check that date and confirm that we can move forward with them changing the dates. I checked the cruise schedule and looked like no conflicts. I have attached the Special Events Request as well for your review. Once I receive everyone's blessing I will forward to Melanie to get the commission's final approval. Please let me know if you have any questions.

Tara

Looks like there are two less ships in port for the 9th and 10th, so impact to cruise would be less on the new dates. Any other events planned for that weekend ?
