Proposed Tariff Revisions

The changes proposed to the Tariff will be considered for vote during the CPA Commission meeting on September 28th. This increase will be effective on November 1st 2017. Tariff No. 15 will be posted with revisions on our website PortCanaveral.com/Tariffs as soon as approval has been received. Below is a brief summary of the proposed changes:

• 3% rate increase to dockage, wharfage, demurrage and storage fees, linehandling, water, permit and licensing fees
• Harbormaster fee increased 20% to align with market
• Rule 1025 - $1 increase to daily parking rates for automobile and oversize vehicle parking
• Revisions to Rules 405 and 410 regarding responsibility for cleanliness and damages to port facilities
• Revision to Rule 520 regarding tenant and users of port facilities obligation to secure cargo, materials and equipment in the event of inclement water
• Rule 570 – clarification of requirement for organizers to provide security services for special events and other activities which create need for additional or specialized security
• Consolidation of vessel size categories in Rule 1010 for determination of Harbormaster fees
Proposed Tariff Revisions

- Clarification to Rule 430 regarding wharf obstruction
- Revision to Rule 710 charging wharfage plus 20% for administrative fees and investigation costs when fail to report delivery of bunkers by barge or truck
- Revision to Rule 1215 providing additional information on requirements for port badges
- Correction on Rule 900 Stevedoring Charges for containers up to 20’
- Update administrative personnel
- General formatting and text clarifications
- New Rule 655 charging dockage for commercial vehicles over 100 feet LOA at bulkhead facilities maintained by Canaveral Port Authority but operated or controlled by third parties (commercial fish dealing operations excluded)

Full version of Tariff No. 15 will be posted if and when approved by the Canaveral Port Authority Board of Commissioners
Proposed Foreign Trade Zone Schedule Changes

- Administrative update
- Updating to denote magnet sites that recently expired

Full version of Tariff No. 15 will be posted to the website when approved by the Canaveral Port Authority Board of Commissioners.
