

CANAVERAL PORT AUTHORITY

NOTICE OF INTENDED DECISION TO PURCHASE SOLE/SINGLE SOURCE PRODUCTS AND/OR SERVICES

In lieu of competitive solicitation, Art. XVII, Section 3(f) of the Port Charter authorizes the Canaveral Port Authority (“CPA”) to purchase required equipment, supplies, materials, or services that are highly specialized or proprietary, or when no other authorized vendor can supply the required equipment, supplies, materials, or services.

Respondents who believe they can meet or exceed the requirements described below must provide convincing technical data sufficient to support their position. Send information to cpa.purchasing@portcanaveral.com by the response deadline below.

In the event respondents can supply substantially similar products and/or services, the CPA may elect to cancel this Notice of Intent and advertise a formal solicitation.

CPA assumes no responsibility for responses received after the response deadline.

REQUESTING DEPARTMENT: Information Technology

SOURCE OF SUPPLY: Harbour Mastery, Inc.

PRODUCT/SERVICE: iSeaports Custom Software

EXPLANATION: _____

The Canaveral Port Authority's i-Seaports system is a highly customized platform that supports maritime trade agreement administration, tenant management, billing, reporting, and related business processes. Over many years, the system has been configured with CPA-specific workflows, business rules, data structures, integrations, and custom functionality. Harbour Mastery, Inc. is the only vendor with the proprietary knowledge and technical expertise necessary to support and enhance the existing implementation. Replacing the system would require significant redevelopment, data migration, user retraining, and operational disruption at substantial cost and risk. Continued use of Harbour Mastery, Inc. preserves CPA's investment and ensures uninterrupted operation of a mission-critical business system.

POSTING DATES: FROM October 16, 2026 TO October 28, 2026

POSTING LOCATION: CPA Website

RESPONSE DEADLINE: October 23, 2026

INTENDED AWARD DATE: October 28, 2026
