

2026 SEVERE WEATHER SEASON MEETING

This meeting will provide attendees with an understanding of the guidance, plans, and coordination of the U.S. Coast Guard, Canaveral Port Authority, Brevard County Sheriff's Office and Canaveral Fire Rescue for heavy weather events. Attendance at this briefing is highly recommended to help Port Canaveral stakeholders be better prepared for this year's heavy weather season and to know what to do in the event of a severe weather occurrence.
