The Canaveral Port Authority owns 3,000+ acres of land including 780 acres on the uplands adjacent to the deepwater harbor and land along the Barge Canal, which crosses Merritt Island, connects the Indian and Banana rivers, and is part of the Intracoastal Waterway system.

The Canaveral Port Authority grants long-term leases to tenants, who are responsible for developing and operating their own facilities. Existing facilities may be available for sublease.

MOST COMPETITIVE PRICING ON THE EAST COAST GUARANTEED!
The Propeller Club of Port Canaveral brings together our Port community at monthly luncheons featuring guest speakers and at special events throughout the year. Our organization provides great opportunities through these events for our members to grow and enhance business and professional relationships as well as personal friendships. The club supports local charitable initiatives including scholarships for maritime students, adopt-a-shore clean up efforts with Keep Brevard Beautiful, and support for the Canaveral Port Ministry, the Navy Sea Cadets, the Rockledge High School Maritime program, the Cape Canaveral Lighthouse Foundation, and the annual Port Maritime Day and Fourth of July events.

We are a local chapter of the International Propeller Club of the United States, a Maritime Industry business networking organization.

Please join us, get involved with the Port community, and share your talents to showcase our Port!

For additional information:
- visit canaveral.propellerclub.us

Network, Learn and Enjoy Our Active Group

LUNCH MEETINGS:
FIRST WEDNESDAYS
11:30 A.M. – 1:00 P.M.
Ambassador Services is a marine and intermodal cargo terminal providing superior service to our customers and a worry-free experience — by cutting your costs, providing the best turnaround times, outstanding quality control, tracking and maintaining a superior facility.

ABUNDANT STORAGE: The largest cold storage facility on the Southeast coast, plus expansive indoor and outdoor storage, at the port and rail-side.

CARGO HANDLING: Commercial cargo, bulk and break bulk, including lumber, vehicles, military, fertilizer, slag, salt, perishables, disaster relief supplies, newsprint, wood pulp, minerals, and specialty cargoes such as aerospace parts.

SPECIALIZED EQUIPMENT: Telescopic radial stacker with razer tails for expedited ship loading and unloading, tram trains, a 40-metric-ton capacity mobile crane, Custom Military Cargo Attachments and more.

PROFESSIONAL WORKFORCE: Experienced, efficient stevedores.

ON-SITE INSPECTION AND PROCESSING: CBP formerly U.S. Customs and Department of Agriculture examinations, including a certified fumigation facility.

DISTRIBUTION: All types of intermodal distribution including via trucks, barge and rail shipments.

RAIL ACCESS: Closest rail terminal in proximity to Port Canaveral.

TRACKING: Computerized, real-time inventory management with online ordering and tracking.
The Closest Major Airport to Port Canaveral.

Orlando International Airport (MCO) provides the ultimate travel experience and is the airport of choice for travelers.
